Triangle Tire... A Trusted Partner

Triangle Tire USA provides high quality, innovative tires at competitive prices to the American market. We offer a comprehensive product portfolio and a growing distribution network to service the needs of the market.

Our goal is to be the Premier Value Provider to the tire industry. We are currently partnering with exceptional distribution partners to help us build an extensive network that will make the Triangle brand easily accessible and widely available anytime and anywhere there is a need.

Commercial and Consumer Product Lines

We service the commercial industry with an extensive line of dependable and fuel efficient medium radial tires for the trucking industry, as well as a full range of premium quality radial and bias Off the Road (OTR) products for construction, mining and aggregate operations.

And for the consumer, we have a wide-ranging line up of passenger and light truck tires including ultra-high performance, winter tires and specialty trailer tires.

Easy to Do Business With

We work hard to make it easy to do business with us. You can mix all product segments in one container. We offer superior fill rates and the fastest container deliveries in the industry. All that, plus world-class warranties backed by exceptional customer service.

Our Strengths Are Your Strengths

Triangle Tire USA is part of Triangle Tyre Co. Ltd., a global company that manufactures more than 25 million tires annually in 5,200 different SKUs (tread patterns and sizes). Triangle tire products are now sold in more than 180 countries around the world.

All Triangle tires are innovative, high-quality products due to the company's unrelenting commitment to research and development, as well as utilization of highly advanced, cutting edge, manufacturing technologies.

Building Lasting Partnerships

At Triangle Tire USA, the sale of tires is only the beginning of our relationship. Our experienced staff is dedicated to your total satisfaction. We work closely with you, whether by making the proper tire recommendation for your customer, by providing product training for your sales staff or by making stocking suggestions for the fastest inventory turns. Your success is ultimately our success and we are committed to earning your business.

We don't just sell tires; we build lasting partnerships. If you are interested in joining the fastest growing distribution network in the industry . . . we would love to help you "Make Your Move" and come over to Triangle Tire.
