

Passenger Tire Warranty

Thank you for choosing Triangle passenger tires. To ensure your 100% satisfaction with your Triangle tires, Triangle hereby warrants that every new Triangle is free from defects in workmanship or material for four (4) years from the date of manufacture (DOT code) or through the life of the original tread of a new tire less 2/32" of tread depth. The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining, at which point the tire is considered to be fully worn out.

60-Day 100% Total Satisfaction

If you are not 100% happy with your new Triangle tires, simply bring the tires and original purchase receipt back to the place where you bought the tires within 60 days of your purchase; we will gladly return your tires in the form of a store credit for future purchase with a minimum of 10% restocking fee.

Manufacture Defects

Triangle hereby warrants that every new Triangle tire is free from defects in workmanship or material and will be replaced 100% free of charge, within 12 months from the date of purchase, or within the first 2/32" (1.6mm) of original usable tread life, whichever comes first. After the 100% replacement term, if the tire is still within 48 months from date of manufacturer (DOT date) or through the life of the original tread of new tire less 2/32" of tread depth, a credit will be given toward the purchase of a comparable new tire. Credit amount will be determined by the percentage of original tread depth remaining on the tire. The costs of mounting, balancing and any other service charges including applicable taxes shall be borne by the owner.

What Is Not Covered

This warranty does not cover tires damaged due to misuse, abuse or accident listed below:

- Incorrect application, inappropriate mounting / dismounting of the tire, tire/ wheel imbalance or improper repair
- Uneven or rapid wear caused by mechanical irregularity in the vehicle such as wheel misalignment
- Racing, off road use, under or over inflation, overloading
- Accident, fire, chemical corrosion, tire alteration or vandalism, flat spotting caused by improper storage or brake lock up
- The addition of liquid, solid or gaseous materials other than air, nitrogen or carbon dioxide
- Minor cosmetic ozone or weather cracking

Other limitations included but not limited to the following:

- Failure to rotate the tires as recommended voids the tread wear warranty
- Tires on vehicles operated outside the United States
- Any tires worn less than 2/32" remaining tread depth
- Tire which D.O.T. identification number and/or brand name removed intentionally
- Ride complaints after 2/32" of tread wear will not be accepted

Road Hazard Replacement Program

Triangle's 2-year road hazard warranty will protect you against non-repairable damage caused by puncture, snag, cut, bruise or impact break. Within the first 12 months of ownership, Triangle will replace with a Triangle tire 100% free of charge. In the second 12 months of ownership, Triangle will pay 50% of dealer's purchase price to replace with a Triangle tire.

To qualify for the road hazard program, a tire must not be past 25% of original treadwear. The costs of mounting, balancing and any other service charges including applicable taxes shall be borne by the owner.

What Is Not Covered

- Tire damage due to vandalism
- Tire damage due to an accident
- Tire is repairable according to Rubber Manufacturers Association (RMA) standards
- Tire damage or failure due to racing or off road use
- Tire damage or failure due to irregular wear caused by mechanical issues
- Tires transferred from the vehicle that they were originally installed on
- Tire damage due to use of snow chains or studs

Mileage Limited Warranty

For selected Triangle Ultra High Performance tires, if the tire reaches the end of usable tread life before the stated mileage warranty, Triangle will issue a replacement tire on a pro rata basis. In order to maintain the tread wear warranty, the tires must be rotated every 5,000 to 6,000 miles (8,000 – 10,000km), or as recommended by the vehicle manufacturer, whichever rotation period is less. Failure to rotate the tires as provided voids this warranty. The costs of mounting, balancing and any other service charges including applicable taxes shall be borne by the owner.

TH201	30,000 miles
TR967, TR968	40,000 miles

What Is Not Covered

This warranty does not cover tires damaged due to misuse, abuse or accident listed below:

- Incorrect application, inappropriate mounting / dismounting of the tire, tire/ wheel imbalance or improper repair
- Uneven or rapid wear caused by mechanical irregularity in the vehicle such as wheel misalignment
- Racing, off road use, under or over inflation, overloading
- Accident, fire, chemical corrosion, tire alteration or vandalism, flat spotting caused by improper storage or brake lock up
- The addition of liquid, solid or gaseous materials other than air, nitrogen or carbon dioxide
- Minor cosmetic ozone or weather cracking

Other limitations included but not limited to the following:

- Failure to rotate the tires as recommended voids the tread wear warranty
- The mileage warranty on each rear tire will be half what is specified for tires that cannot be rotated as recommended by Triangle because the tire size on the front is different from that on the rear
- No tread wear warranty for tires used in commercial applications
- Tires on vehicles operated outside the United States
- Any tires worn less than 2/32" remaining tread depth
- Tire in which D.O.T. identification number and/or brand name removed intentionally
- Ride complaints after 2/32" of tread wear will not be accepted
- Winter tires must be used in winter months only, defined as a period beginning on or after September 1st of a given year and ending no later than April 30th of the following year. Documentation of the timing of the installation and removal of the tires each winter is needed to maintain coverage.

To File a Claim

To file a claim, the following information is needed:

- All claims must be presented to an authorized Triangle dealer
- Present the defective tire to an authorized Triangle dealer
- A copy of the original purchase receipt
- Complete and sign the Triangle tire claim adjustment form provided by Triangle tire dealer
