

## OTR Product Liability Claims Procedures

---

To file a product liability claim, please follow the steps below and submit information to Triangle Tire USA. We are not able to process a claim without this information.

- Fill out an original Triangle Tire USA Adjustment Form.
- Cut out Factory serial number.
- Photograph defective tire.
- Two estimates of repair are required.
- Include photographs of the damage.
- Date of tire purchase, (copy of invoice is acceptable).
- Where tire was purchased (copy of invoice is acceptable).
- Mileage on tire since date of purchase.
- Brief statement explaining what has happened.

Please send the complete information via:
